*Last updated: July 1, 2021*

- **Where is Relate's new building located?**
  - Our beautiful new building is located at 7700 Equitable Drive, Eden Prairie, MN 55344. It is very close to Eden Prairie High School, PROP food shelf and the Eden Prairie Arts Center.
- **Does this mean you're closing the Minnetonka location?**
  - Not at all! Our Eden Prairie location will be our second site in the Western Twin Cities.
- **Are you offering in-person services there?**
  - Yes! We are resuming in-person services at both the Eden Prairie and Minnetonka locations.
- **I'd like to be seen at the Eden Prairie location. How do I go about this?**
  - If you're an existing client, check with your therapist and see if they will be offering services out of Eden Prairie. If you're a new client, let our Intake Team know when you first call that you'd like to be seen in Eden Prairie.
- **How soon can new clients be seen in Eden Prairie?**
  - We are booking new clients in Eden Prairie for the end of July 2021.
- **How do I contact the Eden Prairie office?**
  - You can use the same number to contact both the Minnetonka and Eden Prairie offices: (952) 932-7277.
